Having reviewed and assessed the applications submitted until 30th April 2024 under the call for applications for students and staff mobility between UPF and partner universities published on 15th March 2023,

And taking into consideration the proposal by the Selection Committee, on 24th May 2024, which is in compliance with the provisions of the Erasmus+ Programme,

And according to the guidelines of the call aforementioned, and the internal regulations of the Pompeu Fabra University

1. To award the mobility grants to the list of beneficiaries included in the Annex.

Selected candidates will be contacted by email, starting by those whose mobility starts the soonest. If a selected candidate declines the grant for whatever reason, candidates on the reserve list will be contacted, also by email, and offered a place.

Students in which an inclusion rubric has been presented are awarded with additional funds as indicated in the call guidelines.

The scholarship rights are subject to:

- the submission of the Erasmus+ programme required documents by the beneficiaries
- beneficiaries fulfilment of the conditions during the mobility period, as it is said in the point 4 of the call guidelines.

International mobility is subject to regulations by the authorities of the sending and the receiving countries, the sending and receiving institutions, as well as the conditions set by the Erasmus programme.

2. To open a new application period offering the remaining grants. Applications will be accepted on a rolling basis and assessed according to the same [call guidelines](#), until all the scholarships are granted.
