Offer Description

The Department of Economics and Business at Universitat Pompeu Fabra (UPF) is welcoming applications for one research position in the areas of Political Economics starting in July 2024. The ideal candidate would be a researcher holding a **PhD in Economics** or related disciplines, and with **strong quantitative skills** and **already some publications**.

The successful candidate will be expected to conduct independent research while concurrently collaborating with UPF faculty on ongoing projects in the area of political economy and related fields.

The contract's duration is one year.

The work will be done in person, on the university campus.

Requirements

Research Field	Economics » Political economy
Education Level	PhD or equivalent

Skills/Qualifications

- a) Be in possession of the PhD's degree
- b) Not having been separated by means of a disciplinary file from the service of any of the public administrations, nor being disqualified by a final judgment for the performance of public functions. In the case of being a national of another State, not being disqualified or in an equivalent situation or having been subjected to a disciplinary or equivalent sanction that prevents, in your State, in the same terms, access to public jobs .

These participation requirements must be fulfilled on the last day of the deadline for submitting applications, they must be able to be reliably proven at any time during the selection process and they must continue to be fulfilled on the date of signing the contract.

Specific Requirements

- PhD in Economics or related disciplines
- Strong quantitative skills
- Experience in leadership issues.
- Knowledge of Python and analysis using the Big Data methodology.
- Already some publications.

These participation requirements must be fulfilled on the last day of the deadline for submitting applications, they must be able to be reliably proven at any time during the selection process and they must continue to be fulfilled on the date of signing the contract.
